

Now you can track packages online, right from your desktop.

Unipower™ and FedEx make it easy.

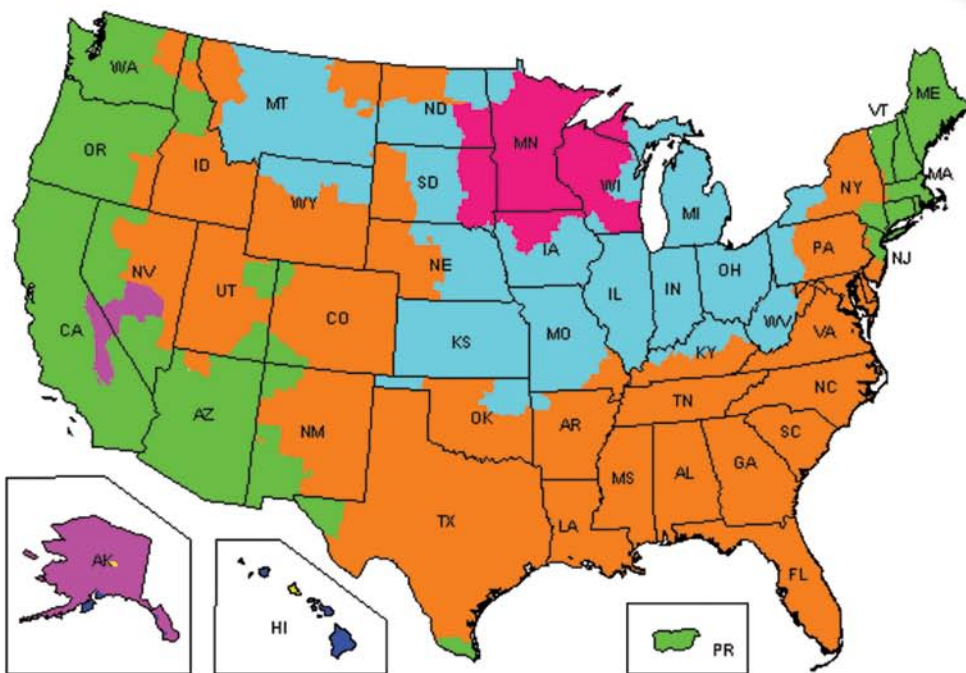

To track your packages via fedex.com:

- First, log in to fedex.com. Then, click [here](#).
- The "Alternate Reference Tracking" screen will appear. Enter the purchase order number in the "Reference" field.
- Choose the destination country (United States) and insert the zip code. (If you are tracking a package sent to you, insert your zip code.)
- Click on "Track."

The map at right shows you transit times for ground shipments from Unipower Corporation.
