

FedEx® Schedule and Manage Pickup

More control, more convenience when you schedule a pickup at [fedex.com](https://www.fedex.com).

Thank you for choosing FedEx Express. To provide you with greater accessibility to our services, we would like to introduce our digital solutions.

FedEx® Schedule and Manage Pickup provides you with a fast and easy tool to arrange a convenient shipment pickup time at [fedex.com](https://www.fedex.com) and free up time for things that matter more. Set the pickup date and time for the same business day or next business day. Find out more at <https://www.fedex.com/PickupApp>

Benefits

Quick and easy

You can easily schedule pickup even without creating label anytime.

Flexible

You can schedule pickup at your available time online and FedEx courier will be at your location.

Manage your pickup

You can edit or cancel your scheduled pending pickups in Pickup History page. The page also allows you to view all pickups for up to 30 days.

Multiple ways to schedule

You can schedule pickup while creating label at FedEx Ship Manager™ or anytime before or after creating label.

Click “Schedule pickup” to complete your pickup

Scheduling pickup online – During AWB Creation

Schedule a pickup in FedEx® Ship Manager at fedex.com

- I. Select “Schedule a pickup” to schedule pickup online **(Please be aware of the Ready Time, which must be after the time the shipment being finalized, otherwise the pickup request will be failed and result in step V.)**
- II. Verify if the pickup address is the same as shipping address; edit pickup address as needed
- III. Remember to click “Add shipment notifications”, fill in either Recipient or Shipper email address and check option “Picked up” to receive email notification
- IV. Receive tracking number and pickup confirmation number once shipment is finalized
- V. If there is no pickup confirmation available, your pickup request might be failed. Please check your pickup history and rearrange your pickup using “Schedule & Manage Pickups” if necessary

Comfortable Mode

The screenshot shows the 'Pickup/drop-off' step in 'Comfortable Mode'. It includes a 'Pickup/drop-off' section with a 'Schedule a pickup' option, a 'Pickup address' field with a 'Use alternative pickup address' checkbox, and a 'NEXT' button. The 'Notifications' section has an 'Add shipment notifications' checkbox, a 'SHIPPER EMAIL ADDRESS' field, and checkboxes for 'Created', 'Estimated delivery', 'Exception', 'Delivered', and 'Picked up'. The final 'Thank you for shipping with FedEx' screen displays the 'Expected delivery' (Monday, July 10, 2023 by 4:30 PM), 'Estimated shipping charges' (CN¥462.75), 'Tracking number' (772622880145), and 'Pickup confirmation number' (WUHA3032).

Compact Mode

The screenshot shows the 'Compact Mode' interface. The 'Pickup/drop off' section is highlighted with a red box, showing the 'Schedule a pickup' option, 'Pickup date' (Friday, 28 July 2023), 'Ready time' (08:00), and 'Latest time available' (13:30). The 'Pickup address' field is also highlighted. The 'Notifications' section is highlighted with a red box, showing the 'Add shipment notifications' checkbox and the 'SHIPPER EMAIL ADDRESS' field. The 'Thank you for shipping with FedEx' screen displays the 'Expected delivery' (Wednesday, July 5, 2023 by 4:30 PM), 'Estimated shipping charges' (CN¥472.50), 'Tracking number' (772623356393), and 'Pickup confirmation number' (WUHA3084).

Helpful tips

A Confirming a pickup

- Check the pickup confirmation number on confirmation page, if no confirmation number is provided, your pickup request might be failed*
- You can check your pickup history and rearrange pickup by using “Schedule & Manage Pickups”

*The ready time might have passed when the shipment is finalized

- Receive email if you have entered email in pickup notification

B Manage your pickup

You can cancel or edit pickup using “Schedule & Manage Pickups”

- I. Check the pickup record you would like to cancel or edit
- II. Click “Cancel pickup” if you would like to cancel* any pickup record
- III. Click “Edit pickup” if you would like to edit** any pickup record

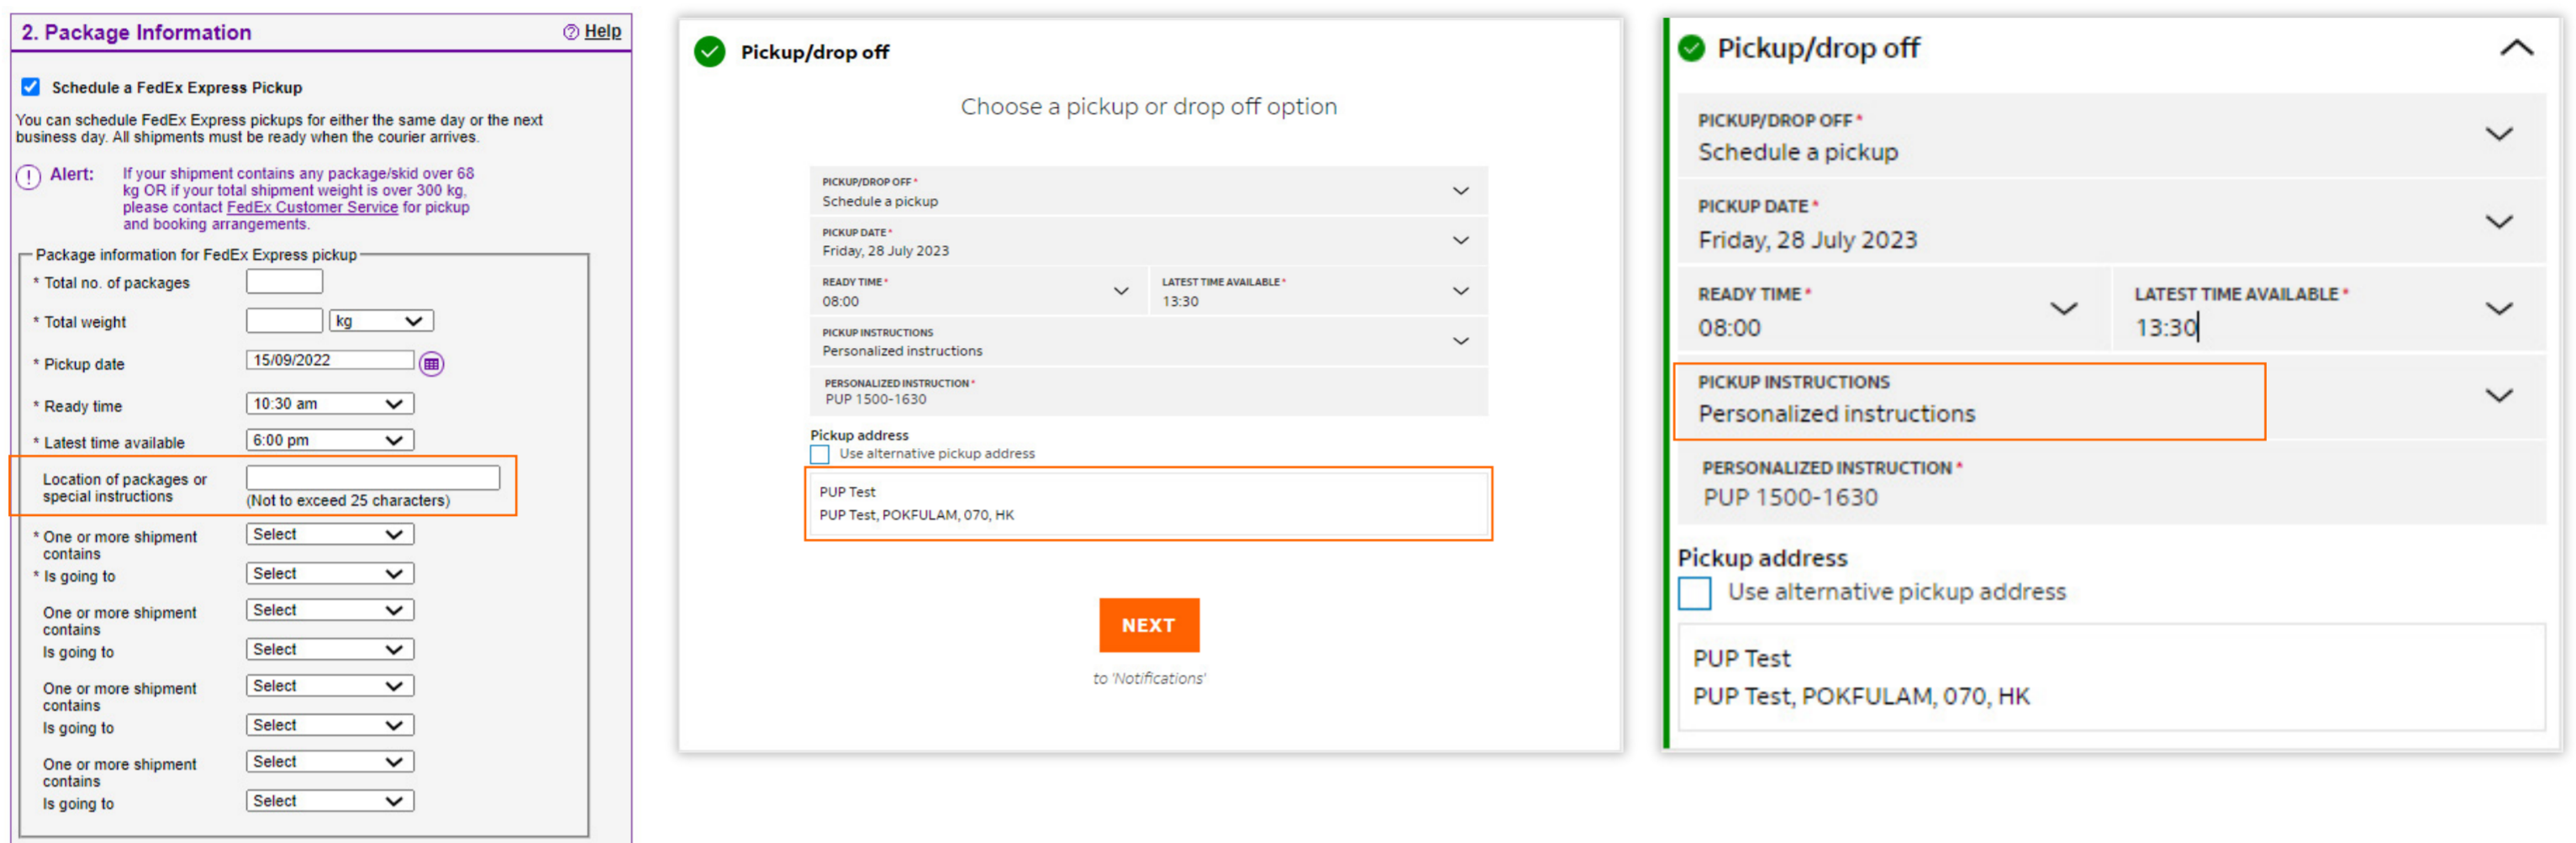

*For pickup cancellation, we support cancel multiple record at once, and you may check multiple record to be canceled

**If you edit an existing pickup, you will receive a new confirmation no., and the current confirmation no. will be abandoned

Helpful tips

Special instruction

Apart from the preset options, you can also tell us your special instruction in short form (due to the limit of 25 characters) by selecting “Personalized Instruction”, so our courier would be notified from the pickup order.

If you want to schedule a pickup within a shorter time window up to 1.5 hours, please input “PUP 1500-1630” (1500-1630 be the time you want our courier to arrive). We will try our best to arrive subject to the traffic condition or other contingency matters.

PUP: Pickup, AWB: Airwaybill, CTC: Contact customer, B4: Before, 1/F: 1st Floor.

Instructions	Short form due to limit of 25 characters
Pickup between 1500-1630	PUP 1500-1630
Lunch break during 1200-1300	LUNCH 1200-1300
Contact shipper before pickup	CTC B4 PUP
Indicate total shipments in one pickup e.g. 3	3AWB
Indicate the pickup location e.g. 1st Floor of building	PUP AT 1/F
