FedEx International Connect Plus (FICP)	Lightweight, Low Value items	Day-definite, B2C focus, weekend and evening delivery applicable	2-3
FedEx International Priority (IP) FedEx International Priority Freight (IPF)	Ideal for urgent B2B parcel or heavyweight, high-value items	Premium time-definite solution for parcel or heavyweight shipment	IP: 1-2 IPF: 2-3
FedEx International Economy (IE) FedEx International Economy Freight (IEF)	Need competitive shipping rates for parcel or heavy weight items	Affordable express solution for parcel or heavyweight shipment	IE: 4-5 IEF: 5-6

For large-volume B2B/B2C shippers to the U.S. market, in addition to standard single-entry customs clearance, we also offer consolidated customs clearance options to help you lower costs and streamline the overall customs clearance process.

Please consult your FedEx Sales Representative on the specific requirements & procedures for consolidated clearance solutions.

In addition to the FedEx services above, we also provide a wide range of advisory and support options through our [FedEx Trade Solutions](#) to guide you through the complexities of international trade.
