## Exporting personal goods

**Jane would like to export clothes and lipstick with a total value of THB 1,000. Let's help Jane prepare her export shipment.**

**Step 1:**

My products can be exported from Thailand. Do they have limits or any requirements?

Jane checked the [Prohibited](#) and [Restricted](#) list and discovered that new clothes and lipstick are not prohibited items. But lipstick is a restricted item and requires to proceed a formal clearance.

**Step 2:**

As a shipper, do I have to register with Customs through an export brokerage firm?

Jane never exported/imported products from/to Thailand before. She needs to [register her export with Customs](#) or contact [ppless@corp.ds.fedex.com](mailto:ppless@corp.ds.fedex.com) to prepare registration in advance.

**Step 3:**

What charges should I expect to pay for export cargo via air freight?

- Freight Charge
- Export Clearance Charge
- Contacted **FedEx** to check charges

**Step 4:**

What documents do I need to prepare for export?

By contacting FedEx at 1782 to support registration, Jane connected with the customs brokerage team to receive advice about the [documents](#) she needs to prepare.

# Companies Exporting Products

**Company A would like to export medical devices to sell. This company is located in a export processing zone (EPZ).**

## Step 1:

My products can be exported from Thailand. Do they have limits or any requirements?

Company A checked the [Prohibited](#) and [Restricted](#) list and found that medical products must be registered with the Food and Drug Administration (FDA). Company A also learned that medical products are required to go through a formal clearance and that to use its EPZ privilege, the company has to inform that its shipment uses EPZ.

## Step 2:

As a shipper do I have to register with Customs through an export brokerage firm?

Company A would like FedEx to support its clearance process but had never authorized FedEx to be the broker. So, company A is required to provide documents and authorize FedEx to [Register export with Customs](#), or contact [ppless@corp.ds.fedex.com](mailto:ppless@corp.ds.fedex.com) to prepare registration in advance.

## Step 3:

What charges should I expect to pay for exporting cargo via air freight?

- Freight Charge
- Export Clearance Charge
- Contacted **FedEx** to check charges

## Step 4:

What documents do I need to prepare to export my shipment?

Company A can check which [documents](#) need for importations and pass these documents to FedEx Broker for process pre-clearance. By contacting FedEx at 1782

# Restriction Items – Which products are **controlled for export** from Thailand

**Tips:** An import or export permit for restricted goods regulates either the quality or quantity of the goods. If your product falls under “Restricted Items-Control to Export”, it requires **formal clearance** by Customs. Please note that Customs may require documents to support the export of restricted items.

**Alert:** Your confirmation number will be stored in your pickup history for up to 30 days. Any changes or cancellations you make to this pickup will be updated in your pickup history. However, please record your confirmation number and any changes for your records. Please have all required shipment information completed prior to pickup. You may contact [FedEx Customer Service](#) for assistance.

- You will receive a booking number for tracking
- You can edit /cancel /get rate or click ship to create an air waybill (AWB).
- The consignee’s /shipper’s name in the AWB /invoice /packing list /export registration must all align.
- To avoid amendment, personal titles (Mr., Ms., Mrs. or Miss) must be stated in the name field on the AWB.

**Tips** If your shipment requires temperature control, clearance for dangerous goods, formal clearance, has privilege or any specific instructions, the details must be included.

 **Tips:** To avoid clearance delays, we recommend you **Register** in advance of exporting cargo. Registration must be completed prior to clearance with Customs. To register may take 3-7 days depending on the readiness of the documents you submitted. **Contact FedEx 1782** for more information or contact [ppless@corp.ds.fedex.com](mailto:ppless@corp.ds.fedex.com) to prepare registration in advance.

You need to register with Customs for formal clearance of an export shipment if

- The Freight On Board (FOB) value > = THB 500,000
- You have restricted items or licensing is required
- You have privileges ex. free trade zone, export processing zone, bonded warehouse, etc.

- 1) To avoid amendments that will impact the processing time and lead to extra costs, in the air waybill (AWB) be sure the consignee name is the same as the name on the export registration. For personal consignees, the title (Mr., Ms., Mrs. or Miss) must be stated in the name field on AWB.
- 2) If you haven't had an export shipment with Thai Customs within six months for personal shipments and two years for company shipments, you will need to register again.
