

Addendum to the FedEx Express Terms and Conditions of Carriage for Europe, effective from January 15th, 2025

Each contract of carriage made with FedEx Express Deutschland GmbH using services offered under the brand name "FedEx" for Shipments originating in or shipped within the Federal Republic of Germany incorporates the FedEx Express Terms and Conditions of Carriage for Europe (the "**European Conditions**") and additionally the stipulations in this Addendum to the European Conditions (the "**Addendum**"), thereby amending and supplementing the European Conditions as set forth hereinafter. However, for orders related to transportation services offered under the brand name „TNT" („**TNT Services**") placed with FedEx Express Deutschland GmbH the European Conditions and this Addendum shall not apply; for such orders the relevant terms and conditions of carriage for TNT Services shall apply.

Contracts of carriage for Shipments originating from outside the Federal Republic of Germany are subject to the terms and conditions of the FedEx affiliate, branch or independent contractor of FedEx located outside of Germany that accepted the Shipment for the performance of the FedEx Services. For those contracts, the Addendum will not apply.

If and to the extent the Addendum does not amend and supplement the stipulations of the European Conditions, the European Conditions remain in force and effect without changes.

If and to the extent the Addendum amends and supplements the European Conditions, such modifications and additions shall apply and prevail over the stipulations of the European Conditions.

Capitalized terms used but not defined in this Addendum have the meanings assigned to such terms in the European Conditions, as the case may be.
