Welcome to the FedEx Import Guide for the Middle East.

This guide aims at providing information regarding import regulations, and requirements for the FedEx served countries in the Middle East. The information provided here is as of January 1, 2022. Note that the customs regulations and sanctions are highly dynamic and may change from time to time. The FedEx team will strive to update you on any change in regulations and requirements as it evolves, via e-mail or through other channels.

BAHRAIN

BAHRAIN

Gateway	Manama
Shipping Mode	By Air & Road
FedEx Clearance	Yes
Broker Handover	Not Possible
DDP	Yes
DE Minimis	USD 265

DOCUMENTATION

The following documents are required to complete the clearance of a shipment into Bahrain:

1 Air Waybill	2 Detailed Commercial Invoice, if possible with the HS codes	3 Packing List	4 COO not required unless the customer wants duty exemption
------------------	---	-------------------	--

The Importer must provide the below requirements for one time only:

- Clearance authorization letter stamped by the importer with authorized person signature.
- Copy of the valid Commerce Registration with Import and Export activity
- Copy of the authorized person ID card

The importer may be required to provide Ministerial approvals for restricted products such as telecommunications equipment, drugs, food items, CD's, publications, and chemicals to facilitate customs clearance.

This regulation has been implemented as of April 3, 2014. Additionally the country of origin of the goods being imported must be clearly stated on the shipping invoice and should match the country of origin marking on the actual product. This applies to all shipments irrespective of value. Failure to provide this information will result in shipments being held.

IMPORTANT NOTES

-  Goods destined to Bahrain which are deemed as used personal effects, Repair & Return or Samples are exempted from these regulations. Please ensure if this is the case, it is clearly stated on the shipping invoice.
-  Bahrain introduced VAT (Value added services) at 5% on all imports regardless of value. FedEx will pay the VAT on behalf of the importer and collect at time of delivery.

Customs Goods Clearing Authorization Form

Customs Goods Clearing Authorization Form

I Mr/Office/Company

Address

CR NO / CPR NO

Authorize customs clearing agent **FEDEX** holding clearing license NO. **26645-01**. issued by Customs Affairs for completing all customs procedure, attend customs goods inspection procedure, give undertaking, sign on customs documents, present documents, pay all customs duties and charges, receive goods from customs point, and receive amount on behalf of me / My office / My company from customs, This authorization will be valid until I inform customs affairs in writing in case of any changes.

- Satellite receiver: Egyptian TV & Radio Authority
- Books, Brochure, Magazines: Printing Authority
- Drugs, medical product, cosmetics, dental instruments: Ministry of Health Population. Central Administration of Pharmaceutical Affairs
- Films: Films Import & Export Licenses Committee
- Wooden products: Ministry of Agriculture & Land Reclamation

Certificate of Origin

Certificate of origin is issued by the local Chamber of Commerce at the country where the shipment is shipped from. The invoice and the Certificate of Origin is legalized by the nearest Egypt Embassy or Consulate in the origin country. When countries unite in trading agreements, they may allow Certificate of Origin to state the trading bloc as the origin, rather than the specific country i.e. EU. For shipments that require a Certificate of Origin endorsement by the Chamber of Commerce of the Invoice is sufficient

IRAQ

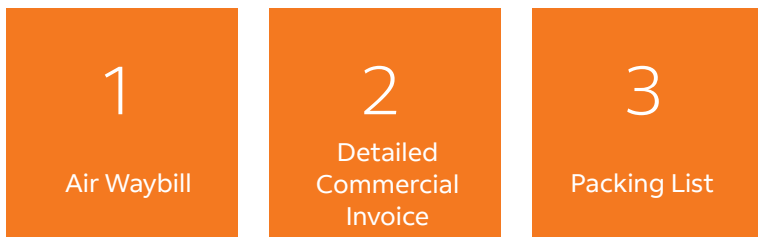

IRAQ

Gateways	Basra, Baghdad and Erbil Airports.
Shipping Mode	By Air
FedEx Clearance	No (via partner broker)
Broker Handover	Yes
DDP	Yes
DE Minimis	USD 0

DOCUMENTATION

The following documents are required to complete the clearance of a shipment into Iraq:

The importer may be required to provide Ministerial approvals for restricted products such as telecommunications equipment, drugs, food items, CD's, publications, and chemicals to facilitate customs clearance.

OIL & GAS IMPORTS FOR SOUTHERN IRAQ

Dutiable Shipments

- Commercial Invoice (English & translated into Arabic)
- Packing list (English & translated into Arabic)
- Certificate of Origin (endorsed by Iraqi Embassy)
- Certificate of Conformity (only were required by the Iraqi authorities)
- Import license from relevant ministry – based on the imported product (example: medicine – need approval from Ministry of Health)

Non Dutiable / South Oil Company (SOC) Contract

- Commercial Invoice (English & translated into Arabic)
- Packing list (English & translated into Arabic)
- Certificate of Origin (endorsed by Iraqi Embassy)
- Copy of the Contract with SOC (South Oil Company) (translated into Arabic)
- Letter from the consignee declaring whether shipment is temporary or permanent import (also needs to be translated into Arabic)
- Original Air waybill copy (provided by FedEx)

IMPORTANT NOTES

- Exemptions for Oil & Gas shipments are only applicable to importers/consignees that have contracts with the SOC and the imported items are part of the agreed contracted list.
- SOC manages and regulates all Oil & Gas imports into the Southern Government of Iraq and work hand in hand with the Customs.
- SOC determines what paperwork and documentation are required in clearance and they are the only ones authorized to issue permits for exemption of material in South Iraq.
- SSOC Brokers are employees of SOC working for the SOC – they are not third-party independent brokers; thus FedEx cannot replace them or perform their activities.

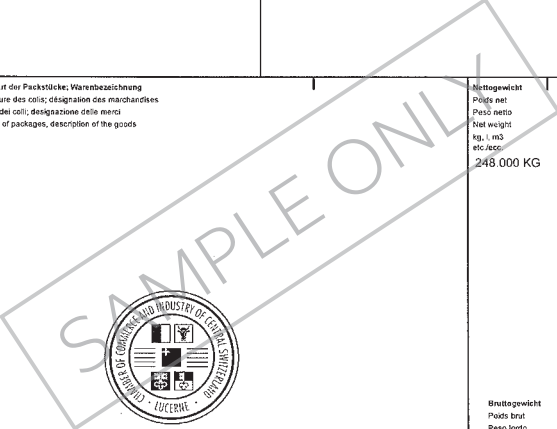

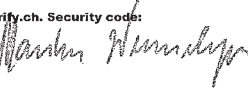

- Any shipment arriving without a COO will be detained in Customs and there will be a deposit fee of (Iraqi Dinar) ID 250,000 to ID 750,000 depending on the declared value. Please be advised that values are reassessed by Customs if deemed too low based on internal Iraqi Custom Guidelines.
- If Certificate of Origin (COO) is not produced within 30 days, the deposit will be confiscated, and an official receipt will be provided.
- Exemptions for Oil & Gas shipments are only applicable to importers/consignees that have contracts with the SOC, and the imported items are part of the agreed contracted list. SOC manages and regulates all Oil & Gas imports into the Southern Government of Iraq and work hand in hand with the Customs.

Certificate of Origin

Certificate of origin is issued by the local Chamber of Commerce at the country where the shipment is shipped from. The invoice and the certificate of origin are legalized by the nearest Iraq Embassy or Consulate in the origin country.

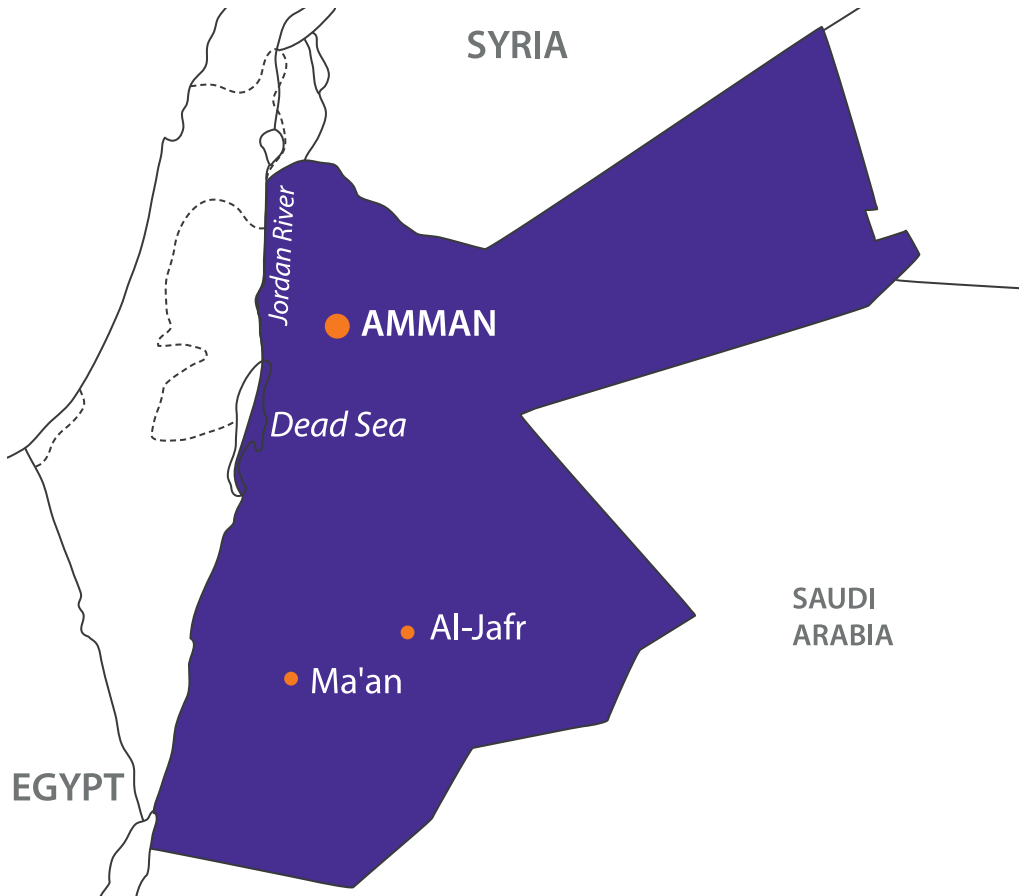

When countries unite in trading agreements, they may allow Certificate of Origin to state the trading bloc as the origin, rather than the specific country i.e. EU. For shipments that require a Certificate of Origin endorsement by the Chamber of Commerce of the Invoice is sufficient.

JORDAN

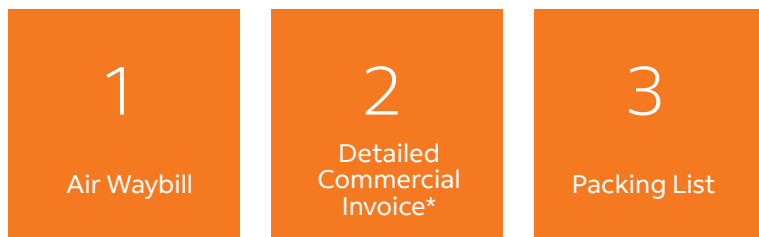

JORDAN

Gateways	Amman Airport
Shipping Mode	By air & by road
FedEx Clearance	No (via partner broker)
Broker Handover	Yes
DDP	Yes

DOCUMENTATION

The following documents are required to complete the clearance of a shipment into Jordan:

*Detailed Commercial Invoice containing true market value, National ID # of recipient (for personal) or TAX ID # (for commercial)

FedEx does not have a brokerage license to clear shipments and instead use a third party broker to clear shipments into Jordan. The importer has the option to use the FedEx designated broker or their own broker. Recipient should provide Letter of Appointment (LOA) to appoint FedEx designated broker to do the clearance (for commercial only).

The importer may be required to provide Ministerial approvals for restricted products such as telecommunications equipment, drugs, food items, CD's, publications, and chemicals to facilitate customs clearance, same will take 3- 2 days.

Ecommerce shipments addressed to personal names will be exempted from duties & taxes, however, customs fees will be applied as below :

- 50 USD = 5 JODs fixed
- USD50 + up to USD300 if above USD300, shipment will be subjected to formal clearance

BROKER ARRANGEMENTS

- FedEx does not have a broker license in Jordan and recipient can however authorize FedEx approved clearance broker with LOA (Letter of Appointment).
- This is standard practice with the courier industry in Jordan where shipment clearance is only possible through licensed brokers.
- The importer has the option to use their own broker or to engage the services of the FedEx broker.
- If the consignee uses their own broker, FedEx will hand over the clearance documents to the nominated broker and they will be responsible for clearance and delivery of the shipment (delivery can be done by FedEx broker if requested by customer).

- If the consignee uses the FedEx broker, we will be responsible for the clearance and delivery of the shipment.
- Broker Authorization Letter is required for FedEx broker clearance (sample below).
- All Commercial shipments are subject to Formal Clearance regardless of value, depending on HS code and weight of the commodity.
- All shipments are subject to revaluation; any incorrect statement of shipment value will lead to heavy penalties.

Letter of Authorization

This form is required to authorize Non FedEx Broker (NFBRK) clearance & delivery by recipient - shown below samples in both Arabic & English languages.

KUWAIT

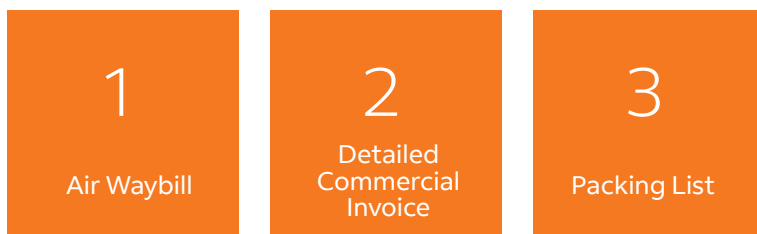

KUWAIT

Gateways	Kuwait
Shipping Mode	By air & by road
FedEx Clearance	Yes
Broker Handover	Yes
DDP	Yes
DE Minimis	USD 330 (for personal) USD 0 (for commercial)

DOCUMENTATION

The following documents are required to complete the clearance of a shipment into Kuwait:

- Certificate of Origin is required for shipments weighing 100 kilos and above or where the value is KD 1000 (USD 3,268) if shipment is formal clearance only
- Certificate of Conformity is required for certain products (ICCP - International Conformity Certification Program is required for certain commodities including all electronics items. The Public Authority for Industry (PAI) is the regulatory authority responsible for ICCP)
- If shipment is under formal clearance, Legalization is required, done on arrival in Kuwait with consignee paying charges. Legalization Costs KD 10.00 per invoice, KD15.00 for a Certificate of Origin, KD 4.00 admin charge. The importer may be required to provide Ministerial approvals for restricted products such as telecommunications equipment, drugs, food items, CD's, publications, and chemicals to facilitate customs clearance.
- All imported shipments are dutiable except for documents. Non-document shipments (including printouts) require Invoice with value.
- Personal shipments (addressed to personal name) with value below 100 KD will be exempted from duty and taxes only, service charges will still be applicable.
- For formal clearance shipments which will require PAI (Public Authority of Industry) approval, consignee will have to register and apply for an online approval from PAI directly. Same will be required for shipments require Environmental (Ozone) approval. Both approvals should be only done by consignee and cannot be obtained by FedEx.

MINISTRY OF COMMUNICATION (MOC)

As of September 2021, Ministry of Communication (MOC) introduced new on-line portal to obtain the required approvals. FedEx registered on the MOC / CITRA portal and already started obtaining required MOC approvals for consolidation shipments only.

- For high value and formal clearance shipments, it is the customer's responsibility to register on the MOC portal, obtain the approvals, pay the charges by themselves.
- New charges 20KD will be applicable on all companies and commercial shipments regardless of the quantity shipped.

- For high value commercial shipments falling under formal clearance category, it will be consignee's responsibility to obtain the approval.
- Personal shipments with number of pieces below 10 pieces per item will be exempted from the new charges.
- New charges will be applicable on personal shipments with 10 pieces and above per item (these shipments will be separated on instant clearance Bayan)

IMPORT CLEARANCE OPTIONS

Formal Clearance

- If the shipment value is above USD 15,000 or the weight is above 100 kg, then formal clearance is required. However this option is subject to customs decision in Kuwait and may be also required for shipments below this value and weight as well.
- Attested Detailed Invoice/Packing List are required for all formal clearance shipments.
- Original COO (A certificate of Origin) required if shipment is under formal clearance and value above USD 1,500 or weight 70KGs.
- Consignee will have to register and apply online approvals from authorities ,when shipments require PAI (Public Authority of Industry) and Environmental (Ozone) approval. Both approvals need to be obtained by consignee and cannot be obtained by FedEx.

Instant Clearance

- Shipments below above threshold will be considered Instant Clearance.
- Detailed Invoice is only required for instant clearance shipments.

Consolidation

- Instant clearance shipments are eligible for consolidation clearance.
- Consolidation clearance will not have any supporting documents for charges, only FedEx receipt.
- Consolidation clearance not applicable on Road Service (only by AIR).

IMPORTANT NOTES

Customs Auditor has the right to reject/categorize shipments under which clearance process the shipments should go through. For example: Shipment containing 2 machine parts with weight 150KGS – value USD 5,000, shipment can be processed as Instant Clearance. We recommend sending an email to admin.kwi@fedex.com and kwi-customs@corp.ds.fedex.com for further clarification on what documents will be required for clearance based on the details provided on email.

CLEARANCE SERVICES AVAILABLE

- Repair and Return
- Gold/Valuable Goods
- B9 (exempted shipments)
- MAKASA
- EURO 1
- CITES & NON-CITES

Any of the above services, an email must be sent to admin.kwi@fedex.com and kwi-customs@corp.ds.fedex.com prior to moving the shipment for validation and document requirements.

Certificate of Origin

Certificate of origin is issued by the local Chamber of Commerce at the country where the shipment is shipped from. The commercial invoice and the certificate of origin should be legalized by the nearest Kuwait Embassy or Consulate in the origin country. When countries unite in trading agreements, they may allow Certificate of Origin to state the trading bloc as the origin, rather than the specific country i.e. EU. For shipments that require a Certificate of Origin endorsement by the Chamber of Commerce of the Invoice is sufficient.

Certificate of Conformity

Shipment Labeling

- Labeling and marking requirements are compulsory for any products to be exported to Kuwait.
- Labeling is required for all products and is particularly important for companies marketing food products, personal care products, health care products, and pharmaceuticals.
- Kuwait Conformity Assurance Scheme (KCAS) has specific requirements for identifying marks and labels for various imported items.
- All products should carry a stamp or permanent non-removable sticker which states the country or manufacture.
- Shipments / parts which do not have a country of origin stamp or sticker will be rejected by Kuwait customs for further actions by the importer.
- For further details customers can visit the following link:

<https://www.pai.gov.kw/portal/page/portal/pai/KUCAS>

LEBANON

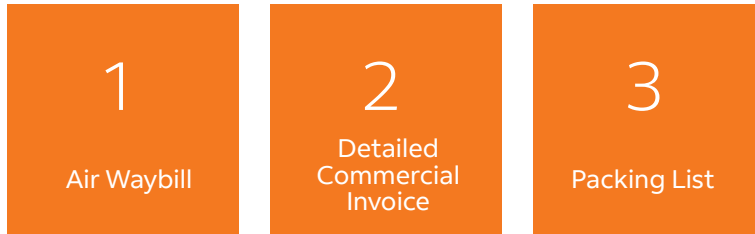

LEBANON

Gateways	Beirut Airport.
Shipping Mode	By Air
FedEx Clearance	No (via partner broker)
Broker Handover	Yes
DDP	Yes
DE Minimis	USD 900

DOCUMENTATION

The following documents are required to complete the clearance of a shipment into Lebanon:

FedEx does not have a brokerage license to clear shipments and instead use a third party broker to clear shipments into Lebanon. The importer has the option to use the FedEx broker or their own broker.

Paperwork required for Commercial Companies - Formal Clearance

- Ministry of Finance Registration Certificate
- Commercial Register Certificate
- Discharge Letter from Social Security
- Commercial Circular
- Authorized signatory person ID copy
- Bank Transfer form might be requested by the Customs

IMPORTANT NOTES

The use of third party brokers is industry practice in Lebanon and all courier companies operate in the same way. The importer may be required to provide an import permit/ Company license and documentation, Ministerial approval based on the customs inspection.

Original Invoice required for all shipment with a value more than USD 1500

BROKER ARRANGEMENTS

- FedEx does not have a broker license in Lebanon and must use the services of a third party broker to clear shipments on behalf of the importer.
- This is standard practice with the courier industry in Lebanon where shipment clearance is only possible through licensed brokers.
- The importer has the option to use their own broker or to engage the services of the FedEx broker.
- If the consignee uses their own broker, FedEx will hand over the clearance documents to the nominated broker and they will be responsible for clearance and delivery of the shipment.
- If the consignee uses the FedEx broker, we will be responsible for the clearance and delivery of the shipment. Brokerage charges vary based on the type of approvals required.

Special approvals requirement & their Regulatory Authorities

DOCUMENTATION

From Shipper

From Consignee

CLEARANCE INFORMATION

- All Non-documents must have an HS Code and Country of manufacture mentioned on the CI for both Import as well as Export shipments regardless of value.
- All shipments above 30kgs traveling by road will require all the clearance requirements to be fulfilled prior to dispatch to be brought through Oman borders.
- Certificate of Origin (COO) is generally required for all non-documents and mandatory for shipment value above USD 780 and above, also if the shipment is duty exempt. Certificate of Origin (COO) needs to be legalized (stamped & signed) by Chamber of Commerce at the Origin. Electronic Certificate of Origin (COO) will not be accepted.
- Routers, Modems, Telephone Equipment, Gateways, Internet Phones, Calling Cards (such as Skype, Hello, Taj Mahal, Idea, etc.), Telecom Equipment, Computers or any other item that can be used to access VOIP systems, etc. must have prior approvals from Oman Customs, Royal Oman Police and the Oman Telephone Regulatory Authority. The approvals should be obtained before the shipment departs Origin. (This applies to all FedEx Services).
- For imports moving under MAKASA*, shipper should provide the import BOE showing the first point of entry in GCC. Failing to provide the same, would result in shipment attracting duty and taxes or even may not be able to custom clear. (With pre-alerted prior to dispatch)
- For high value packages with missing brand details in customs Bayan system, customers must visit Oman Customs

* The Service of Automated Transfer of Customs Duty (ATCD) Process which is also known as 'Makasa' process.

Head Office DG customs with necessary shipping documentation. These details should be updated in Oman customs for clearance.

- For all duty exempted, free zone clearance and FTA shipments, customer should inform FedEx customer service in advance.
- Any shipments which requires ministry permits should have mode of transport confirmation from FedEx team.
- Mode of transport mentioned on Certificate of Origin (COO) should state “By Land” and PORT – HQ Customs.
- For all Commercial shipment, consignee should have CR registration and Bayan code (Bayan code can be obtained online).
- For Invoice value USD 780 and above, consignee should authorize Oman postal express as clearance agency in the Online Bayan System. OPE Clearance agency code is (C00008493 Oman Postal Express).
- For Oil contained shipment, Ministry of Oil and Gas & Chamber of commerce is required. The approvals should be obtained before the shipment departs the Origin (This applies to all FedEx Services).
- For HS code verification and the clearance requirements & queries, shipper/consignee may contact Directorate General of Customs HS code tariff department +96824521319 between 08:00 – 13:00 hours Sunday to Thursday or can search in customs portal:
<https://www.customs.gov.om/esw/jsf/secure/esw/common/PublicHSCodeSearch.xhtml>
- Manifested address and Invoice address should be same.

Repair & Return Process

- All the shipments being exported for Repair & Return process should have prior approval from the Oman Head Office DG customs for temporary export. This approval can be obtained online as well.
- Customer should have a valid import code authorized to FedEx to process export customs declaration.
- When the shipment is shipped back to Oman after repair, it must arrive with below documentation:
 - Repair Invoice
 - Normal invoice
 - Photographs of repair done

RESTRICTED & PROHIBITED ITEMS

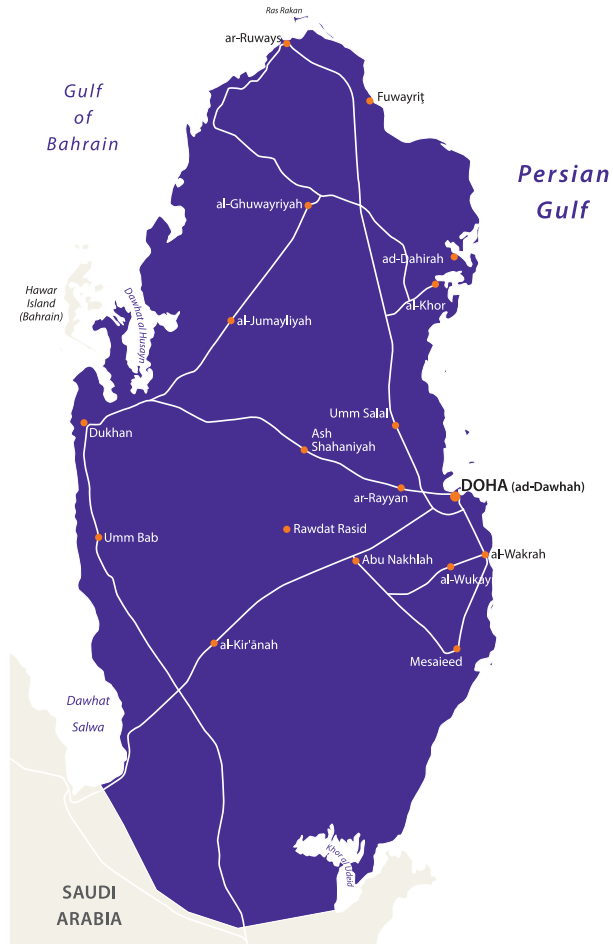

- | | |
|---|---|
| • Ball bearings | • Walkie-Talkies |
| • Credit cards (blanks) | • Any item offensive to the Muslim culture |
| • Furs | • Liquor (Non-hazardous) |
| • Graphite products | • Toys shaped as weapons |
| • Ice, blue | • Dangerous Goods, Radioactive & Class 1.3 Explosives |
| • Knives | • Tires |
| • Poisons (Toxics) | • Tobacco |
| • Check (cashier) & Currency | • Food, Perishable items & Fizzy drinks |
| • Seeds (Permit required from Ministry of Agricultural) | • Medicines which require refrigeration |

Note: All shipments containing medicines are subject to MOH (Ministry of Health) approvals.

QATAR

QATAR

Gateways	Doha
Shipping Mode	By air
FedEx / TNT Clearance	Yes
Broker Handover	No
DDP	Yes

DOCUMENTATION

The following documents are required to complete the clearance of a shipment into Qatar:

*for commercial shipments above 100kg

CLEARANCE REQUIREMENTS FOR PERSONAL SHIPMENTS

All personal shipments arriving in Qatar will now require shipper and consignee's details as specified below. Following these regulatory requirements is important, and will help us avoid clearance delays, and a negative customer experience.

1. Shipper Information to be provided at the time of shipping:
 - Shipper's full name
 - Complete and valid address
 - Phone number mentioned on the Airway Bill
 - Shipper's identification (ID) or Passport copy (Mandatory)
 - Commercial invoice.
2. Consignee Information to be provided at the time of shipping:
 - Consignee's full name
 - Complete and valid address, including; street name, building and house number
 - Mobile phone number along with country code (+974) mentioned on the Airway Bill
 - Consignee's Qatar identification (ID) copy or Qatar Visa copy (Mandatory)

Customs duty for personal shipments

1. Bill of entry QAR20.00
2. Customs duty charges will be %5 of the commercial invoice CIF value incase if the CIF value of the goods will be more than \$273 USD.

CLEARANCE REQUIREMENTS FOR COMMERCIAL SHIPMENTS

- QCCSW (Qatar Customs Clearance Single Window) has been effectively implemented in Qatar. Currently this applies for all modes of clearance which are Air freight, Sea freight, Road freight and express couriers. All

importers in Qatar must register their business activity online with Qatar customs by visiting the Qatar Customs website: www.ecustoms.gov.qa. It is mandatory for all importers to have the Falcon Express Qatar C.R. No.16811, entered as a one-time process. Importer can select validity for 1 time or 1 year, which authorizes FedEx broker to act on behalf of the importer as a customs clearance broker at the airport.

Please advise all importers in Qatar to complete the registration as early as possible to ensure shipments are cleared from customs without delay.

- Commercial Invoice with description of goods, HS code, Quantity, Unit Value, Total value, Currency and incoterms.
- Original commercial invoice & Certificate of Origin attested by chamber of commerce required for shipments that exceeding 99kg (current exemption from Qatar customs is valid till 31 March 2022. In addition the country of manufacturer must be indicated on the invoice.)
- Other Government approval
The importer may be required to provide Ministerial approvals for restricted products such as telecommunications equipment, drugs, food items, CD's, publications, and chemicals to facilitate customs clearance. HS code will decide the approval and inspection required.
- Importer should have the importing commodity included in his trading activity by these products being listed in the importers Trade / Import license.

Customs duty for Commercial shipments:

1. Bill of entry QAR150.00
2. Customs duty charges will be %5 of the commercial invoice CIF value.

Legalization charges:

- All import documents such as commercial invoices of all non-document shipments arriving to Qatar from any countries need to be legalized from Qatar Consulate / Embassy at the origin country. & It's All import documents should be notified with forwarder in Qatar (FedEx /TNT).
- If is not done before shipping, the same process is being done here in Qatar by paying the legalization fees directly to the customs department, as per the below tariff:

Shipment Value (QAR)		Attestation of Certificate of Origin (QAR)	Commercial Invoice (QAR)	Total Payable (QAR)
From	To			
0	15,000	150	500	650
15,000	100,000	150	1000	1,150
100,000	250,000	150	2500	2,650
250,000	1,000,000	150	5000	5,150
1,000,000	above	150	0.06 % CIF VALUE	0.06 % CIF VALUE plus 150

Certificate of Origin

Certificate of origin is issued by the local Chamber of Commerce at the country where the shipment is shipped from. The invoice and the certificate of origin are legalized by the nearest Qatar Embassy or Consulate in the origin country.

Countries origin in the COO should be precise, e.g., Made in Germany, Italy, etc. Made in European Union is vague and not acceptable.

COO should be typed (not handwritten) duly signed and attested (original, not electronic) by local Chamber of Commerce from origin export country.

Only original documents will be accepted.

- EAL should be registered in respective clearance gateway to facilitate clearance process.

Commercial imports (consigned to business) would undergo formal clearance regardless of the value.

Standard import requirements apply: Commercial Registration, EAL - Electronic authorization & Bayan/Bill of entry

Undertaking Letter

A letter of undertaking is an assurance by one party to another party that they will fulfill the obligation that had been previously agreed on, but not written into a contract. For example, if one party wishes to complete some work for a business and get paid for it, the individual would issue a letter of undertaking to the business stating their intentions

IMPORT REQUIREMENTS

Importer of Record

- All shipments with a value above USD 266 require that the company or individual be identified as the Importer of record (IOR).
- FedEx cannot act as the Importer of Record into the Kingdom of Saudi Arabia. GN someone else behalf.

Company Registration

- The customs declaration form prepared by FedEx at the time of customs clearance must be accompanied by a copy of the consignee's commercial registration or record personal ID information.
- Copies of CR's provided by importers will be kept on file by FedEx for use, as and when required.

Electronic Authorization Letter (EAL) Registration

- Consignee/importer must to register with the FedEx broker (SAB Express Clearance License 3942) online through Customs Website for FedEx to clear shipments by Air/Road on recipient's behalf.
- Note: We still continue to use FedEx broker (Mohammad Abdulkareem Al Shoyaiman, License #2377) to clear FTL trucks at Batha.

SABER Electronic Platform

- SASO approval is required for some items valued at over USD 100. The exporter should check the SASO website to confirm if the products they are shipping require SASO approval.
- SASO is similar to a Clean Report Finding (CRF) and can be obtained from a reputable inspection company such as Intertek, SGS or Bureau Veritas.

Additional Clearance Requirements

- The Country of Origin certificates (COO) is no longer required for commercial & personal shipments as the Country of Manufacture (COM) is engraved on the product. If not, the Country of Origin certificates (COO) will be required
- Commodities such as Food, Drugs, Medicines, Medical devices and Cosmetics are subject to Saudi Arabia Food & Drug Authority (SFDA). Importers are required to register the commodity with SFDA and secure approval prior to arrival of the shipments into Saudi. SFDA objective is to ensure safety of the consumers of these products. Shipments can only be customs cleared if approval secured from SFDA failing which shipments will have to be Return to shipper.

- Commodities such as Electronic cigarettes and metal detectors for personal use are restricted items and will be abandoned, Returned to shipper.
- SABER/SASO requirements are subject to commodity description/HS codes. Same can be verified by the shipper/consignee at saber.sa by entering the HS code of the product. Companies such as Intertek, SGS & TUV can guide the shipper on registering and processing SABER certificate online.
- All telecommunications related equipment and spare parts are subject to CITC approval.
- The consignee is responsible for obtaining CITC approval and it must be present in hand before the shipment is collected. CITC approval number should be attached to the shipping documents.

IMPORTANT NOTES

VAT in KSA has increased from 5% to 15%. If the duties and taxes are below SAR 2,000, SAB Express will make the payment on behalf of the customer. Above SAR 2,000, the customer will need to pay online using SADAD portal. www.sadad.com

Repair and Return / Temporary Export

- **Import & Export Authorization:**
An authorization to the customs broker allowing him to follow up completion of export procedures.
- **Consignment Invoice:**
Showing the type, value, quantity, weight and country of origin.
- **Re-export Certificate of Origin**
Issued by the Chamber of Commerce

Declaration Letter

A declaration letter in Arabic from the shipper addressed to the customs manager requesting the approval to move the shipment as repair and return. The letter is necessary for verifying the consignment details & specify the period when its returned. The letter shall be attested by chamber of commerce and should show the following information:

- Airwaybill Number
- Quantity
- Each part serial number
- Each part HS code
- Reason for exporting Commodity
- The period of time the shipment will remain out of Saudi Arabia

Repair and Return / Temporary Export Form

- Color photograph for each part, clearly visible, of engraved serial number
- Company commercial registration copy
- Authorized signatory ID and mobile number

COMMUNICATIONS AND INFORMATION TECHNOLOGY COMMISSION (CITC)

- All telecommunications related equipment and spare parts are subject to CITC approval.
- The consignee is responsible for obtaining CITC approval and it must be present in hand before the shipment is collected. A copy of the CITC approval should be attached to the shipping documents.

PRODUCT LABELING & COUNTRY OF ORIGIN MARKINGS

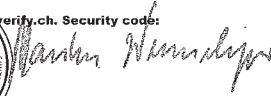

- Product labeling indicating the “Made In” and brand name are compulsory for any products to be exported to Saudi Arabia.
- Labeling is required for all products and is particularly important for spare parts, finished goods, food products, personal care products, health care products, and pharmaceuticals.
- Where physically possible the actual product should be embossed / engraved or have a non-removable label stating the made in country as well as the product brand name.
- Where product labeling is not possible due to size or product sensitivity the external packing should carry the required markings.

Euro 1 Certificate

Euro 1 is issued by the local Chamber of Commerce at the country where the shipment is shipped from. Then the Euro 1 is legalized by the nearest Saudi /GCC Embassy, or Consulate in the origin country.

When countries unite in trading agreements, they may allow Euro 1 to state the trading bloc as the origin, rather than the specific country i.e. EU. Generally, shipments will require only a Certificate of Origin endorsement by the Chamber of Commerce on the invoice. Euro 1 required for GCC / Swiss Exempted products or subject to exemption as per request from customer.

UNITED ARAB EMIRATES

UNITED ARAB EMIRATES

Gateways	Dubai & Abu Dhabi
Shipping Mode	By air & by road
FedEx Clearance	Yes
Broker Handover	Yes
DDP	Yes
DE Minimis	USD 270

DOCUMENTATION

The following documents are required to complete the clearance of a shipment into the United Arab Emirates:

- 1
Air Waybill
- 2
Detailed Commercial Invoice
- 3
Packing List
- 4
Importer must have a valid Import Code

There are a number of Free Trade Zones in the UAE including Jebel Ali Free Zone and Dubai Airport Free Zone, where duty is not applicable. Imports to a UAE Free Trade Zone must be consigned to a registered company operating within the Free Trade Zone and the shipment is to be delivered to that company only. Import documentation requirements are the same for regular import shipments to the UAE. The importer may be required to provide Ministerial approvals for restricted products such as telecommunications equipment, drugs, food items, CDs, publications, and chemicals to facilitate customs clearance.

IMPORTANT NOTES

UAE introduced VAT (Value Added Tax) from January 1, 2018 at 5% on all imports regardless of value. For commercial companies VAT is billed directly to the importers TRN (Tax Registration Number) which is linked to their Importer Code and Company Registration number.

The information included in this guide is designed to provide general guidance on the basic import requirements for countries in the Middle East region. It is not a definitive document, it should be used primarily for reference only and as a basic introduction to customs requirements across the region. Should you have more specific questions regarding import regulations and requirements, please contact your dedicated FedEx Sales representative for further information.
