Additional Services and Fees

that may apply to your international shipments

FedEx has additional services to ensure that your packages arrive safely and on time. See below additional services that may apply to your shipment.

The following fees apply according to the airway bill. All rates are U.S. dollars (USD)

SPECIAL HANDLING CHARGES	RATES IN USD
Declared Value The maximum Declared Value for Carriage varies by country and type of service but shall not exceed \$50,000 per shipment (or \$100,000 for FedEx International Priority Freight shipments). For item of extraordinary value, there is a limit of \$500 or less, depending upon destination country. The Declared Value for Carriage may not exceed the Declared Value of Customs. *For the contents of a FedEx Envelope or a FedEx Pak, regardless of destination, the maximum declared value for customs is \$500, and the maximum declared value for carriage is \$100 or \$9.07 per pound, whichever is greater. Goods with a customs value (actual or declared) exceeding \$500 should not be shipped in a FedEx Envelope or FedEx Pak.	\$1.20 per \$100.00 in declared value, with the first \$100 or \$9.07 per lb. free (whichever is greater)
Address Correction If the shipper provides an incomplete or incorrect recipient address, we may attempt to find the correct address and complete delivery. We may use the address included in the shipper's electronic shipment information to determine whether an address correction is necessary. We will assess a shipping fee. • When a label needs a correction, and a correction is done by a member of FedEx. • Fee is based on correcting any address related field of either the pickup or delivery address.	\$20.00 per shipment
Saturday Service FedEx offers Saturday delivery and pickup services in select international locations. For Saturday delivery, simply indicate Saturday service on your FedEx International Air Waybill, and your package will be delivered to the recipient on Saturday (wherever Saturday Service is available). Available for FedEx International Priority®, FedEx International Priority® Freight and FedEx International Economy® Freight.	\$60.00 per shipment
International Out of Delivery Area/International Out of Pickup Area International shipments delivered to or pick up from remote and less accessible locations are assessed an International Out of Delivery Area Surcharge or an International Out of Pickup Area Surcharge. View the list of ZIP codes, postal codes, or cities by destination country where this surcharge applies. * The International Out of Delivery Area Surcharge and International Out of Pickup Area Surcharge will be determined based on the corresponding tier of the ZIP code, postal code, or city of the shipment's origin and/or destination location for International Express Freight and Parcel services.	Tier A: \$3.60 per shipment Tier B: Greater of \$33.00 per shipment or \$0.32 per lb. (whichever is greater) Tier C: Greater of \$43.00 per shipment or \$0.41 per lb. (whichever is greater)
Dangerous Goods Accessible Certain dangerous goods must be accessible during transit. You can ship these accessible dangerous goods using most of our FedEx Express services: explosives; flammable gas; non flammable gas with a "cargo aircraft only" label; flammable liquid; flammable solid, spontaneously combustible, dangerous when wet; oxidizer and organic peroxide; and corrosive material.	\$142.00 per shipment or \$0.73 per lb. (whichever is greater)
Dangerous Goods Inaccessible You can ship the following dangerous good classifications via most of our FedEx Express services: non-flammable gas without a "cargo aircraft only" label; toxic, infectious substances; radioactive materials; and other miscellaneous dangerous goods.	\$116.00 per shipment or \$0.73 per lb. (whichever is greater)

Calculate the Rate

Find the zone for your destination

- Use the shipping zone number assigned in the table to identify your service rate
- Zone table for **International** services for Export

2

Determine the chargeable weight

- Determine the weight of the package (for FedEx Express International shipments, determine the weight of the total shipment). Round up to the next-higher number
- For Dimensional Weight, see <u>here</u> for instruction to calculate the rate
- Your chargeable weight is the greater of the actual weight or the dimensional weight

3

Find your rate

- Turn to the appropriate rate table for FedEx Express International Export shipments
- Choose a FedEx service. See **here** for International services
- Find your chargeable weight from step 2 to determine your rate

4

Calculate Dimension Weight (DIM)

Dimension Weight Rate Calculate for Your Shipments

The rate calculation according to the dimensional weight applies to each shipment packed by the customer. The FedEx packaging may also be subject to price calculation depending on dimensional weight. If the dimensional weight exceeds the actual weight, may be calculated based on dimensional weight.

HOW TO CALCULATE DIMENSIONAL WEIGHT

- Measure the length*, the width and the height of your package in centimeters.
- Find the volume and divide by 139 to get the dimensional weight in pounds. Round fractions to the next full digit.
- If the dimensional weight exceeds the actual weight of the package, dimensional weight is used to calculate your rate.
