Acceptance of these terms and conditions

Upon delivery to us of the documents and/or packages as well as the shipping information indicated on the front, you expressly agree that you have reviewed the information you have provided to us for filling in this waybill and that such information is correct. You also expressly accept the terms and conditions contained herein and those that appear on the FedEx Service Guide, which you acknowledge to be familiar with and have consulted on our webpage: www.fedex.com/mx or at any of our Customer Service Centers. If there is a conflict between the FedEx Service Guide and this document, the FedEx Service Guide in effect on the date we receive your shipment will control. Carriage of documents and/or packages

FedEx agrees to transport and deliver the shipment covered by this document to the address of the recipient, and within the period, indicated on the front. Next day service means that FedEx will do its best efforts to deliver the shipment within the day following the date on which it was received; nevertheless, in remote locations, this period may be extended as necessary, as set out on the front of this document. FedEx will make its best efforts to obtain a delivery record signed by the addressee or someone at the address at the time of delivery. FedEx may provide the services either directly or through any third party retained by it, as it may deem fit under the circumstances.

Packing shipment and completing documentation

You must properly pack the contents of the shipment, and correctly complete this document. If you do not state the number of packages covered by this document, it will be understood that you only delivered to us one package. FedEx may verify the true weight of the shipment and, if necessary, adjust the rate applicable to the shipment in accordance with the rates in force on the date on which FedEx received the package (these may be found on our webpage: www.fedex.com/mx or at any of our Customer Service Centers. You state, under affirmation to tell the truth, that the contents of the shipment have been correctly declared in this document and that it does not contain any of the following items (“prohibited items”): tickets or advertising materials for foreign lotteries or prohibited games of chance; materials or waste to which the Transport by Land of Hazardous Materials and Waste Regulations apply, unless with the previous approval of the appropriate authorities; drugs whether hallucinogenic or narcotic unless their possession and transportation is lawful; firearms or explosives; animals or perishable items that do not comply with the safety and hygienic requirements imposed by law; money or bearer or otherwise negotiable instruments; any other item whose transportation requires a specific permit or is restricted by law, unless such permit has been obtained; or any other articles or products whose transportation is restricted by FedEx as set out in the Service Guide.

Obligation to pay

Although you may provide us with different billing instructions, you will be the principal person obligated to pay the total charges for our services (including any others that become payable, such as storage for reasons not the fault of FedEx, return of the shipment, additional declared value, multiple delivery attempts because of the absence of the addressee, etc.).

Limitation of our liability

Our liability for damage to the contents of the shipment or its loss, for loss or damage of any nature, for absolute liability, or for any other reason, is limited to an amount equal to thirty (30) days of the daily minimum wage for the Federal District, unless: (a) you have expressly declared and we have accepted a declaration of additional value on the appropriate line on the front of this document, at the time of delivery to FedEx; (b) you have paid to FedEx the charge for the additional value. In all cases, it will be necessary for you to prove, in a legally unquestionable manner, the amount of the loss or damage suffered and submit your claim to FedEx within the period set out in Section 8 below. FedEx is not providing any insurance, something that you expressly acknowledge. With the exception of the foregoing, FedEx does not accept any other liability for loss or damage that you may suffer. Claims

Without prejudice to what may be provided by law, ALL CLAIMS MUST BE SUBMITTED TO FEDEX IN WRITING WITHIN THE 21 CALENDAR DAYS FOLLOWING THE DATE OF DELIVERY OF THE SHIPMENT OR THE ESTIMATED DATE OF DELIVERY. Even though you may call our Customer Service Department at telephone number 55.5228.9904, in any case you must submit your claim in writing within the period above mentioned. You will have no right to deduct any amount with respect to a claim from the charges to be paid to FedEx. For us to be able to process your claim, we would appreciate your having handy for our inspection the original shipping packing. If the addressee accepts the shipment without making any notation or exception on the delivery record, it will be assumed that the shipment was delivered in good condition.

Right to inspect

FedEx may inspect the shipment at any time and may permit government authorities to carry out such inspections as they may consider appropriate. INTERNATIONAL SERVICES | TERMS & CONDITIONS

Definitions

On this Air Waybill, "we," "our," "us," and "FedEx" refer to Federal Express Corporation, its subsidiaries, branches, and controlled entities, and their respective employees, agents, and independent contractors. "You" and "your" refer to the shipper and its employees, principals, and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch, controlled entity, or independent contractor who originally accepts the shipment from you.

"Package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests, or waybills. "Shipment" means all packages which are tendered to and accepted by us on a single Air Waybill.

Agreement to Terms

By giving us your shipment, you agree, regardless of whether you sign the front of this Air Waybill, for yourself or as an agent for and on behalf of any other person having an interest in this shipment, to all terms on this NON-NEGOTIABLE Air Waybill, and as appropriate to all terms in any FedEx transportation agreement between you and FedEx covering this shipment, and in any applicable tariff, and in our current Service Guide or Standard Conditions of Carriage, copies of which are available upon request. If there is a conflict between the Air Waybill and any such document then in effect, the transportation agreement, tariff, Service Guide, or Standard Conditions of Carriage will control, in that order of priority. No one is authorized to alter or modify the terms of our agreement. This Air Waybill shall be binding on us when the shipment is accepted; we may mark this Air Waybill with an employee number as our signature, or our printed name shall be sufficient to constitute our signature of this Air Waybill.

Your Obligations

You warrant that each article in the shipment is properly described on this Air Waybill and any export documents, acceptable for transport by us, and properly marked, addressed (including postal code), and packed to ensure safe transportation with ordinary care in handling. You are responsible for all charges and possible surcharges, customs duties and assessments including fees related to our prepayment of the same, governmental penalties and fines, taxes, and our lawyers' fees and legal costs, related to this shipment.

Air Carriage Notice

If the carriage of your shipment by air involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention and any of its subsequent amendments and protocols ("Warsaw Convention") may be applicable and govern and in most cases limit our liability for loss, damage, delay, shortage, misdelivery, nondelivery, misinformation, or failure to provide information in connection with your shipment.

In certain countries, the Warsaw Convention limits our liability to US\$9.07 per pound (US\$20.00 per kilogram) (or the equivalent in local currency), unless you declare a higher value for carriage as described below. There are no stopping places which are agreed at the time of tender of the shipment, and we reserve the right to route the shipment in any way we deem appropriate.

Road Transport

Notice Shipments transported partly or solely by road, be there an explicit agreement to do so or not, into or from a country that is a party to the Convention on the Contract for International Carriage of Goods by Road (the "CMR") are subject to the terms and conditions of the CMR, notwithstanding any other provisions referred to or in this Air Waybill to the contrary, except that the higher limitations of liability as set forth in these conditions shall remain applicable as opposed to those set forth in the CMR.

Limitation of Liability

If not governed by the Warsaw Convention, the CMR, or any other international treaties, laws, other governmental regulations, orders, or requirements, our maximum liability for loss, damage, delay, shortage, misdelivery, nondelivery, misinformation, or failure to provide information in connection with your shipment is limited by this Air Waybill to US\$100 per shipment or US\$9.07 per pound (US\$20.00 per kilogram) (or the equivalent in local currency), whichever is greater, unless you declare a higher value for carriage as described below.

If you declare a higher value, you must pay an additional charge for each additional US\$100 (or the equivalent in local currency) of declared value for carriage. Please call us or refer to our rate sheets in effect at the time of shipment for an explanation of the additional charge.

If you declare a higher value for carriage and pay the additional charge, our maximum liability will be the lesser of your declared value for carriage or your actual damages. We do not provide cargo liability or all-risk insurance.

Declared Value Limits

For the contents of a FedEx Envelope or a FedEx Pak, regardless of destination, the maximum declared value for customs is US\$500 and the maximum declared value for carriage is US\$100 or US\$9.07 per pound, whichever is greater. Goods with a customs value (actual or declared) exceeding US\$500 should not be shipped in a FedEx Envelope or FedEx Pak. For other shipments, in particular shipments of extraordinary value, including but not limited to jewelry, artwork, antiques, precious metals, and furs and fur clothing, the declared value of carriage is limited and depends on the contents and the destination of the shipment.

INTERNATIONAL SERVICES | TERMS & CONDITIONS

Please check our Service Guide, our Standard Conditions of Carriage, or any applicable tariff for an explanation of the declared value limits.

If you send more than one package using a single Air Waybill, the declared value for carriage of each package will be determined by dividing the total declared value for carriage by the number of packages in the shipment.

Calculate dimension weight (DIM)

Dimension weight rate calculate for your shipments

The rate calculation according to the dimensional weight applies to each shipment packed by the customer. The FedEx packaging may also be subject to price calculation depending on dimensional weight. If the dimensional weight exceeds the actual weight, may be calculated based on dimensional weight.

CALCULATE DIMENSIONAL WEIGHT

- Measure the length*, the width and the height of your package in centimeters.
- Find the volume and divide by 5,000 to get the dimensional weight in kilograms. Round fractions to the next full digit.
- If the dimensional weight exceeds the actual weight of the package, dimensional weight is used to calculate your rate.

$$\text{Dimension weight factor} = \frac{\text{LENGTH} \times \text{WIDTH} \times \text{HEIGHT}}{5,000} = \text{Kilograms}$$

Calculate the length and girth

The length is defined as the longest side of the object or package. The formula of the circumference is calculated by taking twice the width plus twice the height of the object or package:

$$\text{Formula L \& C} = \text{Length} + 2 (\text{Width}) + 2 (\text{Height})$$

Maximum of length and girth combined: 130 inches (330 cm).

* The length is defined as the longest side of the object or package. The circumference is calculated by taking twice the width plus twice the height of the object or package.
