 FedEx® 10kg and 25kg Box²: no tape, no string, no scissors and no more searching for an empty box a packaging solution that allows you to ship FedEx International Priority®, shipment at flat rate, up to 10 kg or 25 kg value your money.

FedEx International Priority® Express

Meet your deadlines with our new express service that offers midday time definite delivery 1 to 3 business days to 27 key markets.

* Service availability may vary according to place of collection and destination, according to postal codes, and throughout the year. For additional information, please contact Customer Service or your FedEx Representative.

FedEx International Economy®

A cost effective alternative when shipping to international destinations for your less than urgent shipments with delivery in 4 to 6 business days.

FedEx® International Connect Plus

Our international, day-definite delivery service specially developed to meet the needs of e-commerce businesses, online shoppers, small and medium businesses, and it is primarily created for Business to Consumers (B2C) customers. It balances speed and cost, so you can offer the delivery times your customers want and the affordable pricing that gives your business an edge.

FedEx International Priority DirectDistribution®

An innovative service that helps you manage your supply chain when transporting consolidated shipments. We clear your shipment through customs as a simple entry and then we deliver it to individual recipients in the country of destination. Some restrictions may apply.

FedEx International Economy DirectDistribution[™]

This service is a cost-effective and simplified way to move shipments from the point of production to multiple customers or end-consumers. We clear your customs-bound shipments on a simple commercial invoice and then ship them to the addresses you specified in the country of destination.

FedEx reserves the right to modify or change the services and applicable rates at any time. Certain restrictions apply. Shipments are subject to dimensional weight, fuel surcharge, taxes and duties (last two for International Shipping). Additional fees may apply. Not all services are offered in all countries. Please check the services and coverage; please contact our Customer Service Center for more information on delivery schedules to your postal code.

INTERNATIONAL SERVICES | ADDITIONAL SERVICES

Additional Services and Fees

that may apply to your international shipments

FedEx has additional services to ensure that your packages arrive safely and on time. See below additional services that may apply to your shipment.

The following fees apply according to the airway bill. All rates are U.S. dollars (USD)

SPECIAL HANDLING CHARGES	RATES IN USD
Declared Value The maximum Declared Value for Carriage varies by country and type of service but shall not exceed \$50,000 per shipment (or \$100,000 for FedEx International Priority Freight shipments). For item of extraordinary value, there is a limit of \$500 or less, depending upon destination country. The Declared Value for Carriage may not exceed the Declared Value of Customs. *For the contents of a FedEx Envelope or a FedEx Pak, regardless of destination, the maximum declared value for customs is \$500, and the maximum declared value for carriage is \$100 or \$9.07 per pound, whichever is greater. Goods with a customs value (actual or declared) exceeding \$500 should not be shipped in a FedEx Envelope or FedEx Pak.	\$1.20 per \$100.00 in declared value, with the first \$100 or \$9.07 per lb. free (whichever is greater)
Address Correction If the shipper provides an incomplete or incorrect recipient address, we may attempt to find the correct address and complete delivery. We may use the address included in the shipper's electronic shipment information to determine whether an address correction is necessary. We will assess a shipping fee. When a label needs a correction, and a correction is done by a member of FedEx. Fee is based on correcting any address related field of either the pickup or delivery address.	\$18.00 per shipment
Saturday Service FedEx offers Saturday delivery and pickup services in select international locations. For Saturday delivery, simply indicate Saturday service on your FedEx International Air Waybill, and your package will be delivered to the recipient on Saturday (wherever Saturday Service is available). Available for FedEx International Priority®, FedEx International Economy®, FedEx International Priority® Freight and FedEx International Economy® Freight.	\$22.00 per shipment
International Out of Delivery Area/International Out of Pickup Area International shipments delivered to or pick up from remote and less accessible locations are assessed an International Out of Delivery Area Surcharge or an International Out of Pickup Area Surcharge. View the list of ZIP codes, postal codes, or cities by destination country where this surcharge applies. *The International Out of Delivery Area Surcharge and International Out of Pickup Area Surcharge will be determined based on the corresponding tier of the ZIP code, postal code, or city of the shipment's origin and/or destination location for International Express Freight and Parcel services.	Tier A: \$3.80 per shipment Tier B: Greater of \$35.00 per shipment or \$0.35 per lb. (whichever is greater) Tier C: Greater of \$44.00 per shipment or \$0.42 per lb. (whichever is greater)
Dangerous Goods Accessible Certain dangerous goods must be accessible during transit. You can ship these accessible dangerous goods using most of our FedEx services: explosives; flammable gas; non flammable gas with a "cargo aircraft only" label; flammable liquid; flammable solid, spontaneously combustible, dangerous when wet; oxidizer and organic peroxide; and corrosive material.	\$130.00 per shipment or \$0.70 per lb. (whichever is greater)
Dangerous Goods Inaccessible You can ship the following dangerous good classifications via most of our FedEx services: non-flammable gas without a "cargo aircraft only" label; toxic, infectious substances; radioactive materials; and other miscellaneous dangerous goods.	\$90.00 per shipment or \$0.55 per lb. (whichever is greater)

Calculate Dimension Weight (DIM)

Dimension Weight Rate Calculate for Your Shipments

The rate calculation according to the dimensional weight applies to each shipment packed by the customer. The FedEx packaging may also be subject to price calculation depending on dimensional weight. If the dimensional weight exceeds the actual weight, may be calculated based on dimensional weight.

HOW TO CALCULATE DIMENSIONAL WEIGHT

- Measure the length*, the width and the height of your package in centimeters.
- Find the volume and divide by 139 to get the dimensional weight in pounds. Round fractions to the next full digit.
- If the dimensional weight exceeds the actual weight of the package, dimensional weight is used to calculate your rate.
