# Surcharge and Other Information

(For IF Export services only)

## Macau

### Fuel Surcharge

The surcharge percentage is adjusted every Monday, based on the US Gulf Coast Jet Fuel Index, and this percentage is applied to the total transportation charge (go to <https://www.fedex.com/en-mo/home.html> for the prevailing fuel surcharge rate and a sample calculation).

### Demand Surcharge

During times of elevated shipping volumes, heightened demand for capacity, increased operating costs, and other strains on our network, FedEx may assess a Demand Surcharge.

### Special Handling Fees

Address Correction: MOP 107.00 per shipment

If a recipient's address on an Air Bill, Air Waybill or shipping label is incomplete or incorrect, we may attempt to find the correct address and complete delivery and we will assess a surcharge. If we are unable to complete delivery, we are not liable for failing to meet our delivery commitment. For FedEx International Broker Select, the address correction surcharge will apply if the broker's address is incomplete or incorrect on the Air Waybill or other shipping documentation. If we cannot determine the correct address or cannot reach the broker, we may attempt to contact the sender for address clarification or instructions to return the shipment. If we are unable to complete delivery under these circumstances, we will not be liable for failing to meet our delivery commitment.

- is bound with metal, plastic, or cloth banding, or has wheels, casters, handles, or straps (e.g., a bicycle) (including packages where the outer surface area is loosely wrapped, or where the contents protrude outside the surface area)

- could become entangled in or cause damage to other packages or the FedEx sortation system

If a package meets criteria for 2 or all 3 Additional handling surcharges (Dimension, Weight and Packaging), only 1 with the highest charge applies.

**\*Oversize Charge:** MOP 644.00 per package. This surcharge applies to a package that exceed 243 centimeters in length, or 330 centimeters in length and girth.

\* Length is the longest side of a package.

**Duty and Tax:** If duties and taxes are levied on a shipment and FedEx pays them on behalf of the party responsible for payment, then that party must reimburse FedEx for the duties and taxes themselves, plus a FedEx surcharge that is based upon the type of shipment and its destination. Please contact our Customer Service team for details.

**Declared Value Charge for Carriage:** Liability of FedEx for loss, damage or delay of your shipment is limited to the greater of about USD20.00 per kilogram or USD100.00 per shipment. The exact limitation may be expressed in Special Drawing Rights or local currency and the exact amount will vary depending upon the country/ territory of origin and currency.

If you desire that FedEx assumes liability for a greater percentage of the actual cargo value, then you must declare the value for carriage on your air waybill and pay a "declared value surcharge". The "declared value surcharge" for Export shipments in Macau is equal to MOP 9.40 per MOP 772.50 (or fraction thereof) by which the declared value for carriage exceeds the greater of: (i) MOP 772.50 or (ii) MOP 73.00 per pound. The following maximum declared value for carriage will apply. Please contact our Customer Service team for details.

Maximum Declared Value for Carriage (may vary by destination)

FedEx Envelope/Pak: USD 100.00 (or equivalent value in local currency)

International First (IF): USD 50,000.00 (or equivalent value in local currency)

Shipments containing items of extraordinary value such as artwork, antiques, glassware, jewelry, precious metals, furs, etc.: USD 1,000.00 or USD 20.00 per kg, whichever is greater

## Weight Information

Total shipment weight is unlimited. The maximum weight per package may be adjusted. Please contact our Customer Service team or Sales team for details.

Rates are calculated on the total weight of all packages on one international air waybill. Any fraction of a kilogram is rounded up to the next higher weight break. Such rounding may cause a variance in dimensional weight (volumetric weight) calculations. Please note that the rates stated on FedEx's invoice shall be the final and official rates.

Additional charges may be assessed for shipments below a certain weight density. The dimensional weight (volumetric weight) (in kg) of an International First shipment is calculated as follows. Please contact our Customer Service team for details.

Length x Width x Height (centimeters or inches)

5,000 for centimeters or 305 for inches

A minimum billable weight of 1 kg applies to FedEx Small Box, FedEx Medium Box and FedEx Large Box; and a minimum billable weight of 4 kg applies to FedEx Tube.

Shipments in FedEx packaging may be subjected to dimensional weight pricing.

In the case of multiple-piece shipments, the invoice weight will be the sum of the higher actual weight or dimensional weight of each individual package.
