Raise an invoice dispute the easy way by using FedEx® Billing Online

### **FedEx® Billing Online**

If you have concerns about an invoice or specific shipment and need to dispute it prior to payment, you can easily submit a dispute online through FedEx<sup>®</sup> Billing Online (FBO). FBO is an online invoice application that allows you to track invoice status, dispute charges, download invoice data, and even pay invoices online.

## Benefits of using FBO to raise invoice disputes

- Direct submission: You can submit a dispute directly from within FBO while you are reviewing the shipment details in the application.
- **Time saving:** FBO provides common dispute types and reasons from which you can easily choose.
- **History of disputes available:** FBO keeps a history of disputes raised under each invoice for your record.
- **Flexible options:** FBO allows you to dispute a specific shipment or an entire invoice covering multiple shipments.

## Not registered yet for FedEx® Billing Online?

Just fill in the enrolment form <u>here</u> and we'll register for you. It's that simple! The registration process will take about 3 business days to complete. If you prefer to register yourself, you can click <u>here</u> to download our FBO user guide that will lead you step-by-step through the online registration process.

## Step 1: Click here and go to FedEx<sup>®</sup> Billing Online where you can log in with your fedex.com User ID and password.

### Step 2: Select the related invoice under "Account Summary"
