FedEx International Economy[®] Freight

Helps your heavyweight shipments
reach the world

With FedEx International Economy Freight, benefit from our worldwide freight solution with great features for an economy budget.

Get ready to take your business global with cost-effective, time-definite freight shipping to and from South Africa with FedEx International Economy Freight. **This solution is ideal for all your less urgent heavyweight freight shipments from 68kg to 1,000kg per item.**

Expand your customer base by extending your reach, without the worries that can keep international shippers up at night. This is your complete shipping solution that includes pickup, line haul, Customs clearance and door-to-door delivery⁽¹⁾ with timely tracking information every step of the way.

Be in control

FedEx International Economy Freight is the efficient, trackable and cost-effective way to reach the world with confidence, without the typical frustrations of freight forwarding.

By reaching most destinations in **6 to 9 business days**, you can increase your speed-to-market to your customers and distribution channels, and improve cash flow by reducing accounts receivable days.

Transit times⁽²⁾

Your destination/origin	Export time
USA and Canada	6 - 10 days
Europe	6 - 9 days
Asia, Middle East and Africa	5 - 9 days

(1) Delivery options are available. Please contact FedEx Customer Service for further details.

(2) Transit times and delivery commitments may vary depending on origin, destination and nature of the goods shipped. Transit times are noted in business days. Please contact FedEx Customer Service for further details.

Key advantages of FedEx International Economy Freight

- Delivering your shipment efficiently is our top priority. Time-definite and day-definite delivery lets you make delivery commitments, providing your customers with speed and reliability.
- We provide door-to-door and clearance services for every shipment, avoiding unnecessary delays or security concerns.
- Peace of mind. We're tracking your shipment throughout its journey, from your door to its final destination, and provide complete visibility to its status, 24/7.
- No surprises on your freight bill. We provide complete transparency on freight costs, so you're not stuck with hidden fees or unexpected freight costs⁽³⁾.

Take advantage of other FedEx services to meet your freight needs.

FedEx International Priority Freight®

When timing is crucial, enjoy our fast transit time option for your heavyweight and bulky consignments weighing from 68kg to 1,000kg per item. It gives you the benefit of day-definite and Customs-cleared services, along with our usual support services including online tracking and highly flexible pickup and delivery options.
