Fuel surcharge percentages and amounts, associated trigger points and the methods of calculation are subject to change without notice. See Section 23 of the conditions of carriage. If the Fuel Surcharge rises above the maximum value or drops below minimum value, or there are changes to the trigger points, the above tables will be updated.

Changes to the FedEx Express Regional fuel surcharge will be applied effective each Monday. The effective surcharge will be reflected on your FedEx invoice. Information on the fuel surcharge for each week will be available approximately the Friday before the surcharge is applicable.

For FedEx Regional, see the Retail Diesel price published in SAR per litre published by Aramco on their website. Note: Retail Diesel Fuel Price published by Aramco is converted in USD & exchange rate considered for conversion is 1 SAR = USD 3.75. The price in this index is published by the Aramco and FedEx is not responsible for the information provided.

Fuel surcharge percentages and amounts, associated trigger points and the methods of calculation are subject to change without notice. See Section 23 of the conditions of carriage. If the Fuel Surcharge rises above the maximum value or drops below minimum value, or there are changes to the trigger points, the above tables will be updated.

Changes to the FedEx Express Regional fuel surcharge will be applied effective each Monday. The effective surcharge will be reflected on your FedEx invoice. Information on the fuel surcharge for each week will be available approximately the Friday before the surcharge is applicable.

For FedEx Regional, see the Retail Diesel price published in SAR per litre published by Aramco on their website. Note: Retail Diesel Fuel Price published by Aramco is converted in USD & exchange rate considered for conversion is 1 SAR = USD 3.75. The price in this index is published by the Aramco and FedEx is not responsible for the information provided.
