

# Solution Overview

ShipHero is designed to simplify inventory management, fulfillment and shipping for eCommerce businesses and 3PL operations.

- Helps reduce mis-picks and mis-ships
- Helps reduce warehouse costs
- Helps increase picking efficiency

ShipHero can help you increase your sales and keep track of every unit with their powerful software that gives you control – order management, inventory management, mobile pick and pack, real-time carrier rate shopping, and returns management all from a single, intuitive interface that is quick and easy to learn. ShipHero is designed to scale with brands, helping make it easy for you to grow as quickly as possible.
