

ProShip earns FedEx Compatible Solution of the Year

Three-time
Solution of the Year Winner!

FedEx®

The Solution of the Year Award winner can proudly display this badge on their website and other marketing materials.

The 2024 Compatible Solution of the Year Award

Each year, FedEx recognizes outstanding solutions that contribute significantly to the success of the FedEx ecosystem and customer base. The top solutions can earn either Diamond, Platinum, or Community status based on their contributions and performance. Additionally, one exceptional solution is awarded the coveted Solution of the Year (SOTY) designation demonstrating a deep commitment to collaborating with FedEx.

ProShip Earns Third FedEx Compatible Solution of the Year Award and Tenth Diamond Status

FedEx is proud to announce ProShip multi-carrier shipping software as the 2024 Solution of the Year. Earning this prestigious award for the third time is a testament to ProShip's unwavering commitment to innovation, exceptional customer service, and exceeding industry standards.

Every year, FedEx evaluates a diverse range of Compatible solutions based on a comprehensive set of metrics. These metrics encompass critical aspects including integration depth and breadth, technical innovation, customer support, market reach and impact, and more.

ProShip consistently demonstrates excellence across all these criteria, solidifying its position as a 10-time Diamond Tier Compatible provider. ProShip's multi-carrier shipping software supports a wide range of businesses, from established enterprises to growing mid-sized organizations, streamline their shipping processes. This third Solution of the Year win, along with ProShip facilitating hundreds of millions of FedEx shipments in 2023, demonstrates significant contribution to the parcel shipping landscape.

ProShip's multi-carrier shipping software provides:

Versionless system

Reduces costly updates and downtime, for uninterrupted operations.

Parcel-focused foundation

Delivers carrier expertise and robust functionality for reliable shipping across diverse package types.

Seamless integration

Integrates seamlessly with existing systems for end-to-end visibility and control.

By choosing ProShip, businesses gain a comprehensive shipping solution that helps them successfully navigate the complexities of shipping. ProShip multi-carrier shipping software is the only solution to be awarded FedEx SOTY three times and Diamond Status ten times.
