FedEx Ship Manager® 3900 highlights

Overview

New and improved FedEx Ship Manager® 3900 is here to assist you with your shipping requirements. The latest enhancements are designed to help provide a faster and more convenient shipping experience.

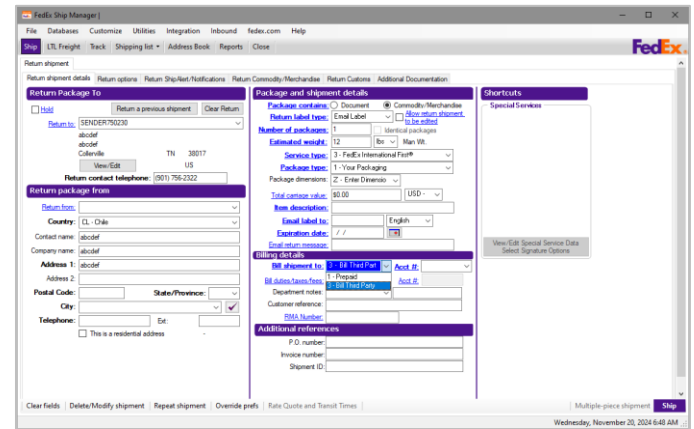

Extending Shipping services to Portugal (PT)

This version of software allows to process shipments to Portugal (PT) and the currency type for Portugal is 'Euro (EUR)'.

Third Party Billing

Third Party Billing is now supported for domestic return shipments in Chile (CL) country.

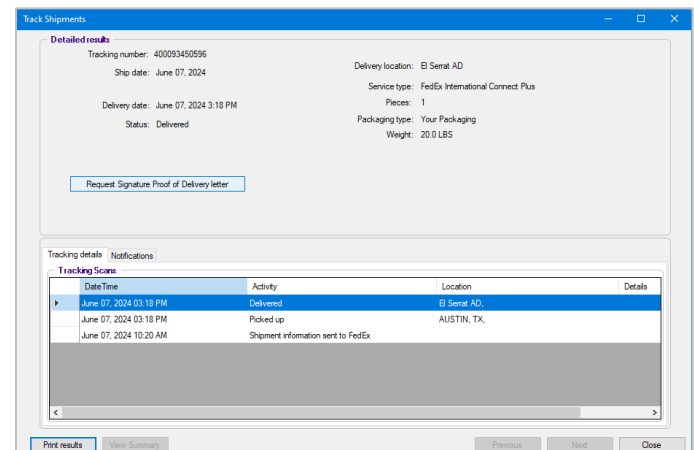

Express Domestic Return shipments

Express Domestic Return shipments are extended to additional two countries/territories: Chile (CL) and South Africa (ZA) countries/ territories.

Enhancements in Track shipments

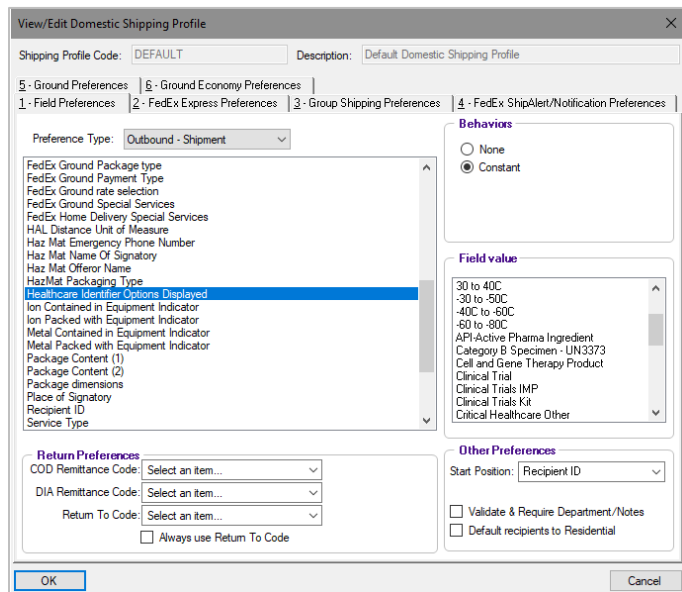

Enhanced Track Shipments screen by modifying the delivery location format as City, Country code format under Detailed results.

Healthcare Identifiers (HCI) Preferences

For HCI enabled accounts, in View/Edit Domestic Shipping Profile screen and View/Edit International Shipping Profile screen, for outbound and return shipments, a new field name “Healthcare Identifier Options Displayed” is added under Field Preferences section and all the HCI special service options are moved from FedEx Express Special services Field value to Healthcare Identifier Options Displayed Field Value.

To set the default HCI special services options in the ship screen, go to Shipping profile| Healthcare Identifier Options Displayed| Select Constant behavior| Choose the special services from the Field value list.

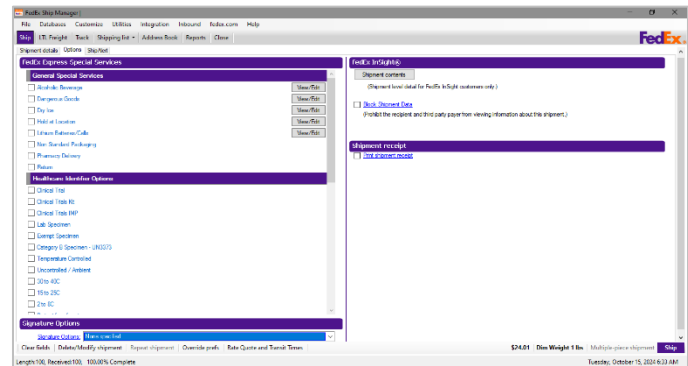

Healthcare Identifiers (HCI) Special Service Options

As an enhancement for HCI enabled accounts, Special Services section is split into two groups, “Healthcare Identifier Options” group which contains only the HCI special service options, and “General Special Services” group which contains all the other special services. This change is made in the following screens:

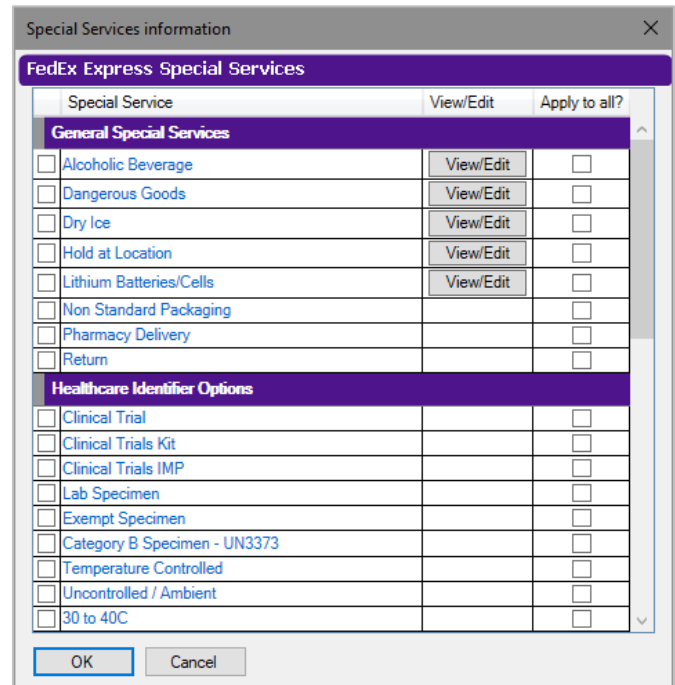

Shipment details: Under Shortcuts section of Shipment details screen.

Ship|Options: In Shipment details Options screen, under FedEx Express Special Services.

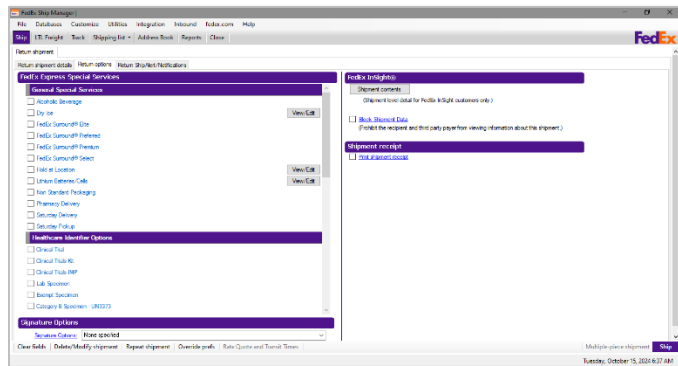

MPS Special Service: In Special Services information window, under FedEx Express Special Services.

Return Shipment Details: Under Shortcuts section of Return shipment details screen.

Return options: In Return options screen, under FedEx Express Special Services.

Shipper's Declaration Report Update

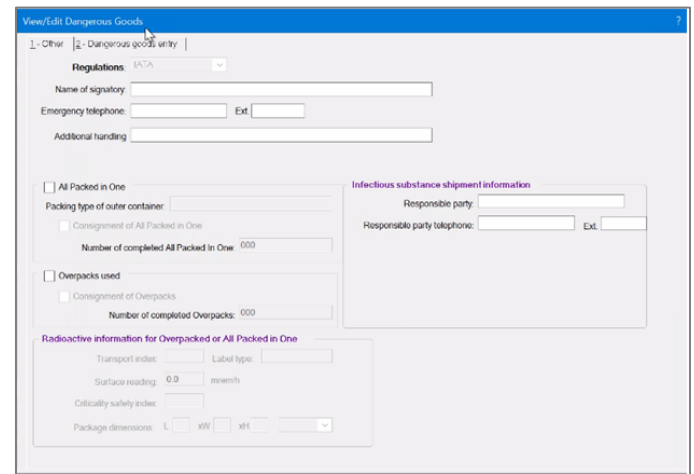

In the Shipper's Declaration report, the word "Optional" is added below Airport of Departure and Airport of Destination, and the word "Subsidiary risk" is modified as "Subsidiary hazard" to match the request from Dangerous Goods Safety.

Two completed and signed copies of this Declaration must be handed to the operator		WARNING Failure to comply with all respects with the applicable Dangerous Goods Regulations may be in breach of the applicable law, subject to legal penalties.
TRANSPORT DETAILS This shipment is within the limitations prescribed for: (delete non applicable) Airport of Departure (optional) COLLIERVILLE Airport of Destination: (optional) CAMPBELL HALL XESWFA		
NATURE AND QUANTITY OF DANGEROUS GOODS UN Number or Identification Number, proper shipping name, Class or Division (subsidiary hazard), packing group (if required), and all other required information. 8000, Consumer commodity.9//Ac-225, GAS GAS, 1 Type A package X 0.00001 Bq // I/Y963		

Title and Place of Signatory

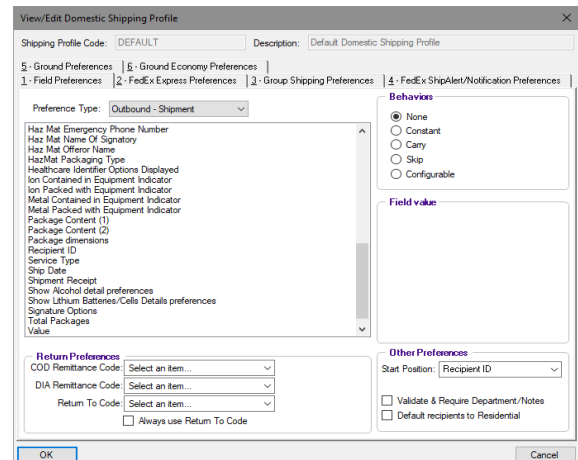

To maintain regulatory compliance, "Title of Signatory" and "Place of Signatory" are removed from below screens:

View/Edit Dangerous Goods Screen: "Title of Signatory" and "Place of Signatory" text fields are removed from View/Edit Dangerous Goods Screen.

1421c Shippers Declaration Report: "Title of Signatory" and "Place of Signatory" fields are removed from 1421c Shippers Declaration Report.

Field preferences: "Title of Signatory" and "Place of Signatory" fields are removed from the field preferences of View/Edit International shipping profile, View/Edit Domestic shipping profile, and International Direct Distribution shipping profile maintenance screens.

US Inbound Processing Fee

For all the international shipments entering US, a new surcharge “US Inbound Processing Fee” is added to the Courtesy Rate Quote window.

Courtesy rate quote (rates are in CAD)

From MARKHAM L3R4C1 CA to CORDOVA 38018 US
Service Type: FedEx International Priority®

Details	Your Rate
Shipping Charges	\$113.70
Bonus Discount	-\$8.86
Fuel Surcharge	\$5.28
US Inbound Processing Fee	\$2.10
Total rate	\$112.22

The courtesy rate quote shown here may differ from the actual charges or your contracted rate for your shipment. Differences may occur based on actual weight, dimensions, and other factors. Rates shown do not guarantee your ability to ship. Dangerous goods, hazardous materials, or dry ice violations may limit your shipping options.

Title bar enhancements

FSM title bar is updated to show the revision number along with the version number.
